Spring Term 2016

Exciting Education For Students and Staff

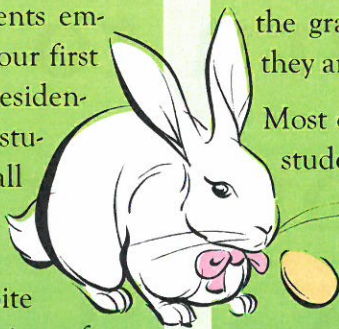

The Spring Term has been kind to us with the weather which has enabled students and staff to venture into the great outdoors.

Key Stage 3 students have been involved in the John Muir Award, in conjunction with Rippledawn, a local environmental education centre. They have developed their understanding of the environment through practical tasks in local woodland and at Samphire Hoe.

The weather was a little colder in the Alps

when students embarked on our first overseas residential. The students all made great progress, despite the enormity of the physical challenge, and one of them now has the plan to become a ski instructor!

The exam season starts in earnest in May and we wish all the students good luck. I'm sure if they all revise hard over the Easter Break they will achieve

the grades of which they are capable.

Most of our year 11 students have secured places on college courses for next year and we look forward to helping them make final preparations for this transition over the coming months.

Kathy, our specialist literacy teacher, is retiring at the end of term. We thank her for her hard work over the

past 4 years in helping the students make great progress with an incredibly challenging but important area of their education.

We continue to appreciate the support provided from home and thank you for your help with all we do. If you have any questions, concerns or comments please contact the school on 01304 381906 or e-mail us at locringwold@live.co.uk.

Have a Safe and Happy Easter.

Reminders for Next Term:

- Students return to school on Monday 11th April.
- Food continues to be excellent value at £3.00 per day.
- PE kit remains as plain blue polo shirts and plain blue or black tracksuit trousers or shorts.

Please help students by making sure phones are left at home. If they are brought in to school they must be handed to staff.

Enjoying the snow in Alpe D'Huez.

Please ensure students have black SHOES to wear for school.
